## Building a Future for Families

### Life Skills Classes at Midland Fair Havens

prepare both mothers and their children for a brighter future, as they become healthy and self supportive families and individuals.

Mothers Life Skills classes include Bible Study and lessons on parenting, financial management, health and nutrition, home and time management, boundaries, and job readiness. Each mother is also attending college or a vocational school and working towards becoming independent and self-sufficient. Weekly they meet with our Program Staff to account for goals and for counsel. God is faithful and miracles are witnessed daily!

This summer the children at Midland Fair Havens had the opportunity to put into practice some of the Character Traits they learned in our Junior Life Skills Classes. Each week they prepared snacks to deliver to the children participating in the tutoring program at Casa de Amigos. This gave them a chance to practice sharing, working together, thoughtfulness as well as math as they worked on doubling recipes!

We just celebrated our 6th annual Blogging for Fair Havens event! Jimmy Patterson once again blogged from a scissor lift in the HEB parking lot, from 6:00 a.m. to 6:00 p.m. This years event featured a lemonade stand and a free iPad giveaway too! Dallas Nichols was thrilled to be the iPad winner, especially having past experiences both in her personal life and her volunteer life that connect her with the heart of this ministry. A BIG THANK YOU goes out to the following for their over the top support for this years Blogging for Fair Havens:

*A brother-sister moment in the courtyard at Midland Fair Havens!*

*If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, "Go in peace, be warmed and filled," without giving them the things needed for the body, what good is that?*

James 2:15-16

#### MISSION STATEMENT

The mission of Midland Fair Havens is to equip single mothers and their children for self-sufficient living by addressing their educational, vocational, spiritual and emotional needs in residential and non-residential settings.

A big thank you to Don Wedel who every week shares his support to our families and the ministry at Midland Fair Havens by baking and delivering to us his home made cookies and cakes! We appreciate you Don and pray God's richest blessings on you!
